The screenshot shows a Cisco Webex meeting window. The main content is a presentation slide titled "Presentation.pdf" with the word "Target" and a pie chart. The pie chart has four segments: purple (41%), green (34%), yellow (15%), and orange (12%). The meeting interface includes a top menu bar with "File", "Edit", "Share", "View", "Audio", "Participant", "Meeting", and "Help". A participant gallery at the top shows four participants: SHN7-17-APRS, Adrian Delamico, Loretta Martin, and Sherry Missona. A "Participants (9)" list on the right includes: SHN7-17-APRS, Barbara German (Host, me), Catherine Sinu, Elizabeth Wu, Alison Cassidy, Adrian Delamico, Loretta Martin, Calvin Cooper, Courtney McKinney, and Brandie Lane. The bottom toolbar contains icons for mute, video, chat, share, and other meeting controls.

Step 2 of 2: Install the Cisco Webex add-on

Open the Cisco_WebEx-Add-on.exe file.

Still having trouble? [Download the add-on again](#) or [run a temporary application](#) to join this meeting immediately.
